Individual Drill with Weapons

Half Step (15-inch step): The command for marching with a 15-inch step is "Half step, march". This command may be given from the halt, or it may be given to change a 30-inch step to a 15-inch step while marching. If the command is given from the halt, proceed as for marching with the 30-inch step, but take only 15-inch steps.

Army Technical Manual (for M16 rifle) - TM9-1005-249-23P ...

A manual of arms was an instruction book for handling and using weapons in formation, whether in the field or on parade. Such manuals were especially important in the matchlock and flintlock eras, when loading and firing was a complex and lengthy process typically carried out in close order. When capitalized, the term has reference to one of several important manuals, such as the British Army ...
