Oracle JDK 9 Documentation

I-9 REQUIREMENTS - DOCUMENT LISTS Ever since passage of the Immigration Reform and Control Act in 1986, employers have had to verify the employment authorization of each employee they hire. This is done with the I-9 form, a copy of which must be completed for each newly-hired employee.

I-9 Requirements - Document Lists

The I-9 form is designed to determine who is authorized to work in the United States. Its purpose is not to determine who is and who is not a citizen. While all citizens are authorized to work here, it is not always easy to recognize who is and is not a citizen because of the diverse heritage of our country.

Frequently Asked Questions - I-9 Compliance

Default: 1 The minimum number of characters a user must type before a search is performed. Zero is useful for local data with just a few items, but a higher value should be used when a single character search could match a few thousand items.
