Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase.

7x9 Trouble

As Wilson observed, the threes ARE difficult because there is no pattern to the products when multiplying by three. Best practice is to start with easier factors, such as 2, 5, 10, and actually 9 (because there is a very easy pattern to the multiples of nine--so that, actually, 7 x 9 does NOT equal Trouble!).
