A Prearranged Love

This was a quick sweet read. Rekha and Arjun meet in a "prearranged" location based on the set up by their respective mothers and the first meeting does not go well and as it usually does, fate intervenes and she finds herself working for the ad campaign for Arjun's company. This was a simple tale of friendship progressing and blossoming into love.

A Prearranged Love looked like a cute read and it turned out to be exactly that. It was short and sweet and quite realistic. Not everyone has bells ringing in their hearts with the love at first sight thing, some people take time to really get each other and that was exactly Rekha and Arjun's story. Rekha is spirited and independent.
