In summary, taking the good with the bad, After Hours is a remarkable collection. Brimming with stories that knocked me in the head and gut, it is beyond any assemblage of erotic stories written by AA male authors. After Hours is a compilation of old fashioned story telling told by the finest voices in print. Authors in this anthology include:

All urine, after the first flushed specimen, must be saved, stored, and kept cold. This means keeping it either on ice or in a refrigerator for the next 24 hours. Try to urinate again at the same time, 24 hours after the start time, to finish the collection process. If you can't urinate at this time, it is OK.
