Activated charcoal: 8 uses and what the science says

Activated charcoal absorbs substances in the stomach and intestines. Taking activated charcoal along with medications taken by mouth can decrease how much medicine your body absorbs, and decrease the effectiveness of your medication. To prevent this interaction, take activated charcoal at least one hour after medications you take by mouth.

Activated Charcoal: MedlinePlus Supplements

Also known as ma huang, this herb has been used for thousands of years in China and India to treat coughs, headaches, and cold symptoms.
