world don't just dream of coming to America, they dream of becoming Americans. Many have and continue to risk their lives to do so.

What is America? A country, an idea or both?

It has often been said that America was founded upon an idea. The country was not formed mainly for power or privilege but in adherence to a set of principles. Granted, these ideals have been, at various times in our history, less than ideally maintained. But the ideals remain. The idea persists.

The Idea of America - The Christian Post

The American dynamism of the 1830s was just a working out of an idea that was clear to those who were drafting the Constitution a half century earlier, and that should still be our idea today. The American Idea in Peril. But now that idea, the American idea, is in peril.

Opinion | Don't Give Up on America - The New York Times

In a statement, Graham dismisses the idea that America should even think about what kind of people it lets in. “I have always believed that America is an idea,” Graham wrote, “not defined by its people, but by its ideals. Diversity has always been our strength, not our weakness.” America is defined by its ideals, OK.
