America's Modern Wars - Understanding Iraq, Afghanistan ...

In America's Modern Wars: Understanding Iraq, Afghanistan and Vietnam, Christopher Lawrence offers a more systematic, quantitative approach towards the subject of insurgency and counterinsurgency. This was accomplished utilising resources obtained from his role at The Dupuy Institute (TDI), a non-profit organisation focused on academic research and studies around historical data associated to armed conflicts and acclaimed resolutions.

Vietnam. In the wake of the United States' major counterinsurgency efforts in Iraq and Afghanistan, nearly every aspect of those interventions remains hotly debated. Despite a plethora of explanatory theories and analyses, observers are no closer to understanding the true nature of these conflicts and the effectiveness of the approaches used to wage them than they were when the wars started.
