## **Approaching Women How To Approach**

Talking Right 1. Introduce yourself!  
Introducing yourself is simply the polite  
thing to do. Do it without the handshake  
or other... 2. Set yourself apart. As said  
above, if a woman is even remotely nice  
looking, she probably has guys telling  
her so... 3. Be non-threatening. Give her  
some personal ...

### **How To Approach Women**

The best way to approach a woman is  
actually from the side or coming in from  
the front, but then move to the side.  
What you don't want to do is stand  
directly in front of her as well, not as bad  
as approaching from the back, however,  
if you stand in front of her it comes off  
as aggressive unless she has pointed

## **How to Approach Women: 15 Tips You Absolutely Need to Know**

The best way to approach a woman is to use a natural, direct style. There's no need to put on an overly-confident act, try to be extra funny or try to impress the woman. Women respect and feel attracted to guys who are confident enough to relax and be their true self, even if the woman is testing him by pretending not to be interested.
