Autodesk AutoCAD Structural Detailing 2015

Overview. As of April 13, 2015, AutoCAD® Structural Detailing has been discontinued. Autodesk has been investing in new structural detailing solutions that support a wider range of modeling and documentation needs, while supporting improved team collaboration and user productivity. Autodesk believes that these new solutions, including Advance Steel and Autodesk Revit, are better suited to meet the range of our global customer needs.

Structural Engineering Software | AutoCAD Structural Detailing

Of course, Autodesk stopped developing AutoCAD Structural Detailing on April 13, 2015. Autodesk states that the reason for this suspension is that it has produced stronger alternatives such as Autodesk Advanced Steel for this software, which has more features and
