Children's Book Review: Baby on the Way by William Sears ...

"Baby on the Way" is a superb book for preparing older siblings for the arrival of a baby in the house. Written by pediatrician William Sears, registered nurse and certified childbirth educator Martha Sears, and author Christie Watts Kelly, cofounder of the Memphis chapter of Attachment Parenting International, this book does an amazing job of adapting to young readers.

A great way to do this is our book, "Baby On The Way." I also found it helpful to give the older sibling some responsibility in caring for the new baby, such as going to get a fresh diaper during the changing procedure. Most toddlers love to "help" mom and this is a great way to keep them involved with the new baby..

2nd Baby on The Way | Ask Dr Sears

If you are looking for a book to prepare your child for bringing the new baby home as some reviewers seemed to be, what you want is "What Baby Needs" also by Dr Sears. It is in the same attachment parenting style with emphasis on breast feeding, but has nothing about the pregnancy just about having a new baby at home.
