### Bachelor Of Science Bsc Information

A Bachelor of Science is a bachelor's degree awarded for programs that generally last three to five years. The first university to admit a student to the degree of Bachelor of Science was the University of London in 1860. Whether degrees of a particular subject are awarded as a Bachelor of Science or a Bachelor of Arts varies between universities. For example, an economics degree may be awarded as a Bachelor of Arts by one university but as a Bachelor of Science by another, and occasionally, bot

### Bachelor of Science - Wikipedia

A Bachelor of Science Degree, most often abbreviated as a BS or BSc Degree, is an undergraduate science-focused degree that takes 3-5 years to complete. This timeline varies based on the school's BS or BSC degree requirements, degree area of focus, student needs, and any previously earned transfer credits.
