### BlackBerry Curve 9360 specs - PhoneArena

Hi, I'm going insane with all this charging! I purchesd my new curve 9360 on Friday 24/02/2012 and then went home and put it on charge for 4 hours (as the retail outlet had specified when I asked them),using the new charger that came in the sealed box with the phone. I then began to use the device, say from around 6pm till about 9pm then it was showing battery low already.

### **BlackBerry Curve 9360 review: BlackBerry Curve 9360 - CNET**

Am thinking the 9360 battery rating, the 1000mAh was considered ok in the developmental stages of the phone, but some phones when produced just seem to drain battery less compared to others. It doesn't make sense how some people have ok battery life and others, me inclusive have terrible battery life and we're on the same OS!!!
