Breaking the sequence : women, literature, and the future ...

Federal and state governments, employers, academic institutions, and women themselves are essential players in breaking down barriers that are holding women back. Government has many tools at its disposal to addresses current barriers in the workplace that hold women back. The government can act as a catalyst for promoting gender equality ...

Breaking the Glass Ceiling: Structural, Cultural, and ...

Title: Sounding Silence: American Women's Experimental Poetics
Traditional feminist readings have valued women's writing that voices silenced experiences. In contrast, other twentieth-century theoretical formulations regard absences, refusals, and silences as constitutive of aesthetic practice rather than as imposed upon it.
