Here are ten questions to ask before you buy that big block of land out in the country. 1. Is the water safe to drink? Rural properties often draw their water from private wells, which may be contaminated with minerals, radon or even dangerous chemicals like arsenic. Insist on a water test before making an offer on the house.

What to Ask Before Buying a Rural Property | HGTV

Get a loan to buy raw land in the country or a bare lot located in a small town. Even if the land is intended as a future home site, in most cases, water, well and septic aren't required at time of financing. No acreage restrictions ; Residential and agriculturally zoned properties are eligible ; Power, well and septic aren't typically required

Country Home Loans - for Rural Homes, Lots, and Bare Land

4. Releases. When the seller, or his predecessors in title, encumbered the property or leased it, those documents should be recorded. When these arrangements expire, a release should be recorded, as, for example, when the mortgage is paid off, a holder of the mineral lease allows it to expire or a holder of a life estate in the property voluntarily gives it up.

13 Documents You Should Have Before Buying Country Property

Buying the land is the easy part. Creating the country is the hard part. The USA was already a country (had got the hard part out of the way) by the time it bought Alaska from Russia. So, how do you get to be a country? How do you achieve statehoo...
