Clientelism, Interests, and Democratic Representation (Piattoni)

Clientelism is no longer seen as a relic from tradition but as a sign of malfunctioning democracy and as an anomaly of political systems caused either by a lack of "civic culture" or by the "capture" of institutions by politicians interested only in conserving power.

Clientelism | social science | Britannica

Piattoni, too, in the introduction to Clientelism, Interests, and Democratic Representation, indicates that individuals, at least in Europe, are no longer forced to enter a clientelist deal by material and political circumstances, but rather may choose to do so in order to gain privileged access to public resources.

The City University of New York - Rochelle Terman
