### Anthropology and Geography - Coastal Carolina University

Coastal Lives is an example of political ecology because the authors: A) Argue that nature, culture, and politics cannot be separated if we want to understand how different people have unequal access to Peru's fisheries. B) Argue that nature exists outside of human culture and history and is not something that social scientists can study.

### Anthropology 201- All Quizzes You'll Remember | Quizlet

Department of Anthropology and Geography 843-349-2777, cdillian@coastal.edu. Anthropology Minor. Anthropology offers a framework for the study of human culture, human origins, and adaptation over time. We use empirical and theoretical approaches to understand culture change and human diversity, past and present.

### Programs - Coastal Carolina University

This relates to the Culture vs. culture in that anthropology's focus and appreciation of Culture and how it develops differently can be twisted when talking about Cultural relativism or human rights. Appreciation and defense of Culture does not imply blind tolerance to all aspects of all cultures.
