about to put it down. The book is an interesting look into spirituality, a topic that I don't find easy to read about and consider. The concepts it was introducing me to were almost too radical for me.

Conversations with the Universe - Life in the Right Direction

Three ways to apply discussions with the universe in everyday life. "Please don't worry. I've got you." - the universe. When I first read this quote, it became a pivotal moment in my life. Imagine the universe is a mind reader, and like a close friend, tells you exactly what you need to hear.
