Corruption In The Patent Office

This document is an account of Appeal 2012-002306 to the Patent Trial and Appeal Board, a part of the United States Patent and Trademark Office, which sought to reverse the Examiner's manifestly incorrect rejection of all claims of Patent Application 12/634,486.

Corruption in the Patent Office: Malm, Robert E ...

The U.S. Patent and Trademark Office has done the same thing, looking to penalise those who are not paying Microsoft any money. Yes, it's like USPTO works for Microsoft [1 , 2], forcing people to become Microsoft customers, passing around documents only other Microsoft customers can view 'properly' (even Microsoft refuses to follow or adhere to its own specifications!).

EPO's Illegal Patents and Massive Corruption Go Unnoticed by Corporate Media and Sites That Cover Patent News Posted in Europe , Patents at 1:12 pm by Dr. Roy Schestowitz The latest excuse we hear is "coronavirus" (as if journalism cannot be done from one's home), leaving corruption unreported or grossly under-reported

EPO's Illegal Patents and Massive Corruption Go Unnoticed ...

The Patent and Trademark Office has granted so many flimsy patents in part because of a flood of patent applications. The agency is currently sitting on a backlog of more than 700,000 applications. With so much on its to-do list, the PTO frequently approves unwarranted patents, and first-to-file could encourage an even greater deluge.

Corruption In The Patent Office - modapktown.com

The 1836, U.S. Patent Office fire was the first of several disastrous fires the U.S. Patent Office has had in its history. An initial investigation considered the possibility of arson due to suspected corruption in the Post Office, which shared the same building, but it was later ruled out. The cause was ultimately determined to be accidental.

Patent Office Insights from Two Former Examiners

U.S. Patent and Trademark Office Two years ago, a database corruption issue at the U.S. Patent and Trademark Office brought parts of the agency's electronic filing system down for several days. The...

USPTO digital transformation rests on culture change | CIO

THE suppressions at the European Patent Office are profound. These involve a total lack of transparency (worse than before), including gagging of staff representatives. The EPO's management keeps pretending that this isn't happening, but only based on a bunch of nonsense (doublespeak). It remains true that the EPO lies to staff and to journalists (the public).

WIPO Corruption and Coverup Mirror EPO Tactics | Techrights
