Criminal Psychology Criminal Psychology

Criminal psychologists seek to understand the motivations of criminals and develop a psychological profile to understand or apprehend them. They examine individual criminal behaviors and diagnose any mental health conditions. They frequently step into the courtroom to provide expert testimony.

Criminal Psychology vs. Forensic Psychology

Yes, criminal psychologists can be profilers, helping agencies create a psychological profile to help apprehend suspects. Unlike what you see on TV, however, a psychologist is unlikely to go with police to confront suspects and a high profile serial murderer only comes along once in a blue moon.
