Graham Allison, a Harvard professor and sometime government functionary, is clearly a man who thinks a great deal of himself. On the other hand, most of his pride in himself actually seems justified by his experience and thought, and in these Trumpian days, perhaps immodesty is the Spirit of the Age. Therefore, if you can get through the scenes in Destined For War where Allison talks down to ...

Graham Allison's new book, Destined for War: Can America and China Escape Thucydides Trap?, crashes China's rise into the US political mainstream. Unsurprisingly, it took 'a red-blooded, perhaps red-necked American' (Allison's words) to draw attention to an issue that those residing in our part of the world have debated for many years.

Book Review: Graham Allison's 'Destined for War'

In this razor-sharp analysis, Harvard scholar Graham Allison examines the phenomenon known as Thucydides's Trap, which is currently playing out between the world's two biggest superpowers: the US and China. Through uncanny historical parallels, Destined for War shows how close we are to the unthinkable.

Destined for War : Graham Allison : 9781911617303

So important is this big idea to Allison that much of Destined for War: Can America and China Escape Thucydides's Trap? is taken up with providing a quasi-theoretical foundation for the existence of the trap as an historical phenomenon as well as consideration of how it might apply in this case. He identifies 16 cases where a rising power came to challenge the position of a dominant state, and notes, disconcertingly, that 12 of these ended in war.
