Aqualisa Digital Pumped Shower 425600/05/07/ My Aqualisa shower has a habit of dripping after a few years of use. The first time this happened to me was during the warranty period so Aqualisa replaced the whole unit for me. The next time was after the warranty had expired so rather than spend a fortune on another unit I found out how to repair it.

Dripping Aqualisa shower repair | Simon Hart
