Egov By Douglas Holmes

EGOV sets out the key strategies for a citizen-centered public sector by detailing how the internet can be used to integrate service delivery across agencies, shift the mindset and culture within the civil service, and apply the value of business to deliver the public services 21st Century consumers have come to expect.

eGov: E-Business Strategies for Government: Holmes ...

The late 20th century will see the last generation prepared to stand in line for government services - this is the age of online government. New technology has brought massive changes to manufacturing and service industries. It has driven down costs, brought buyers close to suppliers and made companies responsive to customers' needs.
