The Best Bike Repair Stand | Reviews by Wirecutter

Spare Tube and Patch Kit. The most common problem cyclists face is a flat tire. Always carry a spare tube and/or a patch kit with you. If your flat tire is caused by a small puncture, you'll likely be able to use a patch kit to fix it. For large punctures and blowouts, replacing the tube is your best option.

Bike Repair Kits: Carry the Essentials | REI Co-op

A very simple very sturdy bike repair stand that can hold virtually any bike. I worked on my 30lb mountain bike without a hitch. You can experiment with longer pipes lengths on the bottom if you need more stability but I found this setup to be ideal. Total cost: \$30. Now use the money you saved and buy yourself some good bike equipment!
