Feminist Nightmares Women At Odds

Feminist Nightmares: Women At Odds. Book Description: Though all women are women, no woman is only a woman, wrote Elizabeth Spelman in The Inessential Woman. Gone are the days when feminism translated simply into the advocacy of equality for women. Women's interests are not always aligned; race, class, and sexuality complicate the equation.

Feminist Nightmares: Women At Odds: Feminism and the ...

Feminist Nightmares, Women at Odds: Feminism and the Problem of Sisterhood, Weisser and Fleischner begin with the question, "Sisters Under the Skin?" The readings are meant to address differences among women, particularly where there is inequality in power relations. Thus, the often avoided issue of women oppressing women is brought to the fore.

The Problem of Speaking For Others

Bray v. Alexandria Women's Health Clinic, 506 U.S. 263 (1993), was a United States Supreme Court case in which the court held that 42 U.S.C. 1985(3) does not provide a federal cause of action against persons obstructing access to abortion clinics. Several abortion clinics (most known was the Alexandria Health Clinic) sued to prevent Jayne Bray and other anti-abortion protesters from voicing ...

But for some reason while we do have compulsive military service for all males in Finland (voluntary for women), I don't hear anything about feminists seeking compulsive military service for women. Cherry picking equal rights while fighting against equal responsibilities it seems. Norway now...

Is feminism ruining the West? | History Forum

Women of my generation know that having it all is an impossible lie. As I awaited my firstborn, I craved what these shows offered: a more honest assessment of the madcap collision of priorities that awaited me, and enough humor to keep me from disappearing beneath my covers — and my growing belly — until the onset of labor.
