First Aid Boy Scouts Of

SUMMARY. Being prepared in Scouting often means being ready to render first aid. As we go farther into the backcountry with our units, some additional training is needed. Wilderness first aid (WFA), the next step up from the basic first aid, focuses on teaching assessment skills and using available resources when professional responders may be hours or even days away.

Wilderness First Aid | Boy Scouts of America

All Scouts and Scout leaders—as representatives of an organization whose motto is “Be Prepared”—should be sure they are always ready with an appropriate first-aid kit when it’s needed. Your kit may be simple, or more complex if you are trained to use it properly. But the kit must always be on hand and stocked with every essential item.

First Aid Kits | Boy Scouts of America

BSA has identified the following providers as meeting the BSA’s requirements for WFA training: (1) American Red Cross, (2) Emergency Care & Safety Institute, and (3) providers accredited by the American Camp Association (ACA) under the ACA’s standard “HW.2.2/ST.3.2 First Aid & Emergency Care Personnel”. WFA courses offered by any other provider does not meet the BSA’s requirements.

Wilderness First Aid | Boy Scouts of America

First aid and WFA are important to participants in BSA programs. The BSA strongly recommends that participants avail themselves of CPR with automatic external defibrillator (AED) training, along with first-aid and wilderness first-aid training. For certain program participation, there may be requirements for first aid, wilderness first aid, and CPR/AED.

First aid—caring for injured or ill persons until they can receive professional medical care—is an important skill for every Scout. With some knowledge of first aid, a Scout can provide immediate care and assistance to someone who is hurt or who becomes ill. First aid can help prevent infection and serious loss of blood.

Program Feature: FIRST AID | Troop Leader Resources

Hand groups of arriving Scouts decks of cards listing steps in first aid (assess the scene, call 911, perform CPR, stop bleeding, treat for shock, splint broken bones, etc.). Have them sort the cards in the order of priority. Show arriving Scouts pictures of poisonous and nonpoisonous plants, and venomous and nonvenomous snakes found in your area.

Plans & Ideas: FIRST AID | Troop Leader Resources

Learn about the new practices that go way beyond what Scouting leaders may already know as “first aid.” Wilderness First Aid training is here, helping you cope with medical emergencies in the wild and, perhaps more importantly, to be a more effective manager in any crisis.
