Fixing The Books Secrecy Literacy

In Fixing the Books, professor Erin Debenport (anthropology, University of New Mexico) presents the research she conducted on an indigenous language literacy effort within a New Mexico Pueblo community, and the potential of that literacy to compromise Pueblo secrecy. She analyzes the decision to produce written materials in a historically oral language and whether that decision is at odds with the linguistically and culturally "conservative" reputation of Southwest tribes, and potentially ...

It is the careful sequencing of literacy priorities that make the yawning disadvantage gap manageable. For each school then, questions will attend where to start: vocabulary, reading, structured talk, or writing. Covid-19 has probably worsened the literacy 'Matthew Effect' for our disadvantaged pupils in particular. And yet, new habits and ...

Rare Book Repair: The Oscar Edition. Many factors are considered before defining a book as "rare." The Archives and Rare Books Library at the University of Cincinnati believes the standards used today are more or less the same as the standards literary historian and bibliophile Johann Vogt recorded over 250 years ago: there are few absolutes when it comes to deciding which books are rare.

In Bonds of Secrecy, Benjamin A. Saltzman argues that this double-edged conception of secrecy and divinity profoundly affected the way believers acted and thought as subjects under the law, as the devout within monasteries, and as readers before books. One crucial way it did so was by forming an ethical relationship between the self and the ...
