Focusing on IELTS - Macmillan Education
In the paper-based IELTS exam at the end of the listening test, you are given 10 minutes to transfer your answers to the answer sheet. However, in the computer-based exam you do not get these 10 minutes to transfer your answers, you will only get a couple of minutes to check spelling. Be very careful of spelling as this can lower your score.

The Listening section is the first task you'll encounter on the IELTS test. The good news is there's no difference between this task on the Academic and General tests. Both versions are the same. Now, you may think this means the Listening section is easier than IELTS Reading or Writing, but this isn't necessarily the case.

IELTS Listening: 6 Study Tips to Increase Your Score ...
The IELTS listening test is very long and it is impossible, even for native speakers, to concentrate fully 100% of the time. Recognising sign posting allows you to prioritise and focus on the important parts of the listening that contain the answers. There are several great sources that have thousands of online lectures including:

IELTS Listening Practice - How to improve your skills ...
Beware! I bought both this and Focusing on IELTS: Academic... purely to have eight different listening tests. I realise listening and speaking are the same from test to test, but I didn't think they would just use the same listening examples for both books!
