roots of contemporary interest in ethical consumption while exploring how today's companies have adopted the language-but not the mission-of social change.

From head shops to Whole Foods : the rise and fall of ...

From Head Shops to Whole Foods is an excellent read. Joshua Davis clearly put in the time and research into this well written book, creating a new point of view on different social movements by diving into the histories of non conventional business models. I would highly recommend this easy, yet deeply informative read.
