Introduction The Godox TT600 is basically a Godox TT685 without the E-TTL II functionality. If you are in the market for a very reasonably priced manual speedlite with full radio X wireless communication (master and slave) and high speed sync (HSS) then you can't go far wrong with the TT600. This is one of my favourite budget speedlites.

Godox TT600 is a next generation Manual flash released by Godox. TT600 is an upgrade to the ThinkLite TT560, with a new design, higher guide number and a flash head that zooms to different focal lengths. The TT600 is a single firing pin flash, so it is compatible with most DSLR cameras when used as a manual flash mounted on the camera hot-shoe.
