Here you can set up the general settings for the popup, like background color, width and height, and more. Let's edit the "Page". First, I'll add the background color I want to use. Then change the size of my popup. As you can see above, the background of the closing "X" button is orange. I want to change that, so let's navigate ...

HOW TO MAKE POP-UP CARDS Cuts and Folds. When making a pop-up card all folds must be straight lines. Mountain folds look like the top of a mountain, and valley folds look like the bottom of a V — like a valley. Cuts don't need to be straight lines, but they must go from valley fold, across a mountain top, to the next valley fold.
