1. Improve Your Candidate Pool When Recruiting Employees. Companies that select new employees from the candidates who walk in their door or answer an ad in the paper or online are missing the best candidates. They're usually working for someone else and they may not even be looking for a new position.

Succeeding with prospecting and recruiting in any network marketing business, is not based on luck. To succeed in network marketing, is really based on who you know and how big your network is.. To translate this into simple terms, you need a large enough audience to speak to and present your offer.
