### What is a Proprietary Interest? An Explainer - Lawpath

A proprietary interest can represent either owning a stake in an item or having full ownership. Someone with proprietary interest in an asset is legally entitled to profits and other rights from that asset. The asset in question can either be tangible or intangible. Just having rights to enter a property, on the other hand, is said to be non-proprietary interest. Long-term Implications of Proprietary Interest

### Interests In Securities A Proprietary Law Analysis Of The ...

A security interest is a legal right granted by a debtor to a creditor over the debtor's property which enables the creditor to have recourse to the property if the debtor defaults in making payment or otherwise performing the secured obligations. One of the most common examples of a security interest is a mortgage: a person borrows money from the bank to buy a house, and they grant a mortgage over the house so that if they default in repaying the loan, the bank can sell the house and apply the
