### **Is Killing Wrong A Study**

Mark Cooney's *Is Killing Wrong?* is a masterful application of pure sociology to the social response to homicide. Drawing on voluminous historical, cross-cultural, and current social science evidence, Cooney shows that the response to homicide, ranging from praise to the death penalty, is tied to the social statuses and relationships of victims, perpetrators, and third parties.

wrong, although it is still morally wrong to cause total disability. Abandoning the norm prohibiting killing has important implications for a variety of moral issues, but here we will discuss only one example: practices of vital organ donation.

### **What makes killing wrong? | Journal of Medical Ethics**

All murder is wrong, but all killing isn't necessarily wrong. That is an important distinction to make. All murder is killing, but all killing is not necessarily murder. We are never to take the life of another human being for no justifiable reason. But the Bible does not condemn all killing.

### **Is All Killing Wrong? - Harvest**

The answer to this question is obvious for most people—of course killing is wrong. Most moral codes forbid murder, and in the Bible, the Ten Commandments also forbid murder.
