XK8 LS1- 6 Speed (Manual Transmission) Project Update, January, 2014 . When the new XK8 was introduced in 1997, the car caused quite a stir, and included many design elements reminiscent of the XKE of the 60's and 70's. However, one key element of that sporty heritage was missing- a manual transmission.

Note- only the manual transmission part of this conversion is really new. From the firewall forward, this installation is basically identical to the LS-automatic XK8 conversion we have offered for several years now. It really is just the transmission, shifter, and pedals that are new here, and the results to date are just great.
