Know Can Do Put Your

Hey Guys, Today I wanted to talk about something that I have been struggling with internally. Let's say you have this goal you want to achieve and you know what you have to do in order to achieve that goal, but you don't do it? but you don't have a specific reason of why you can't do it.

I know what to do, but I don't do it why?

The intellect can come in later to make sense of it all. But first, we have opportunity to honor what the intuitive energy wants and listen to how it wants to come through. So as you step into your work for the day try to follow where you are drawn, not because your mind says so, but because you intuit that's the place to start. 2.

3 Questions to Help You Determine What You Really Want

It is one thing to know about a sports hero, and quite another thing to be a friend of that athlete. You can read every news article on your hero, memorize every stat, and collect every piece of memorabilia yet never really know the athlete himself. To truly know a sports hero, you would have to do more than watch him play.
