Labor rights and multinational production (Book, 2010 ...

It is now generally accepted that the expansion of the multinational corporation is a major, perhaps the major, phenomenon of the international economy today. Large corporations with their headquarters in the United States, in other Western industrialized countries, and now increasingly in Japan as well, are expanding their activities both into industrialized countries, including the Soviet ...

Labor and the Multinationals | Foreign Affairs

Mosley published the book Labor Rights and Multinational Production in 2011. Using cases across Africa, Latin America, Asia, and the Middle East, Mosley argues that one central determinant of labor rights is a firm's decision to either control production directly or to use subcontractors. [11]
