Politics and literature Politics, derived from the Greek word *politika* meaning 'affairs of the cities' which is ultimately derived from the Greek word meaning *polis* meaning 'city state'. From here one can derive the ultimate meaning of the widely used word politics; it is the arrangement, organisation and making of decisions relating to a populace.

Political fiction employs narrative to comment on political events, systems and theories. Works of political fiction, such as political novels, often "directly criticize an existing society or present an alternative, even fantastic, reality". The political novel overlaps with the social novel, proletarian novel, and social science fiction.
