Lost in the Funhouse is a short story collection by American author John Barth. The postmodern stories are extremely self-conscious and self-reflexive and are considered to exemplify metafiction. Though Barth's reputation rests mainly on his long novels, the stories "Night-Sea Journey", "Lost in the Funhouse", "Title" and "Life-Story" from *Lost in the Funhouse* are widely anthologized. The book appeared the year after the publication of Barth's essay *The Literature of Exhaustion*, in which Barth s

Finally, in "Lost In The Funhouse," Ambrose is thirteen, on a maybe-date competing against his older brother for a girl named Magda. On Independence Day, they visit the Ocean City boardwalk. The narrator comments on narrative technique, bucking characterization, and Ambrose imagines he's stuck forever in the funhouse.

Lost In The Funhouse Summary and Study Guide | SuperSummary

"Lost in the Funhouse" is about the technique of building plot and characters and making things interesting without getting "lost." Barth was a master at analytical writing, but also knew the dangers of it -- sometimes, when you look too closely at things, or study your feelings too much, they don't make sense anymore.

Lost in the Funhouse Summary - Schoolbytes

"Lost in the Funhouse" is an exploratory narrative that delves into the woes that Ambrose faces when analyzing his own precociousness, and when confronting the confusing and contradictory issues that arise when one grows up—making the story, in essence, a coming-of-age narrative.
