Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The most common type of managed care plan is the HMO. If you enroll in an HMO plan, you'll need to pick a primary care provider who will direct all your healthcare needs and refer you to specialists when appropriate. You are only covered if you go to medical providers and facilities who are in your network.
