Marx A Very Short Introduction

In Marx: A Very Short Introduction, Peter Singer identifies the central vision that unifies Marx's thought, enabling us to grasp Marx's views as a whole. He sees him as a philosopher primarily concerned with human freedom, rather than as an economist or a social scientist.

Marx: A Very Short Introduction: Singer, Peter ...

Notwithstanding, Singer's Marx is a very good introduction. After a brief biographical sketch of Marx--which dispels the myth of his living and dying in penury, by the way--Singer examines his early flirtation with Hegelianism, his reflections on alienation and history, and his political economy.

Marx: A Very Short Introduction (Very Short Introductions ...

Marx: A Very Short Introduction (Very Short Introductions #28), Peter Singer From 1818 to 1883, Marx was the founder of material commentary on history, and the prime of class warfare, Marx's influence on economics, philosophy, and all branches of social and political thought was undoubtedly very profound. From Singer's point of view, Marx's main concern was human freedom.

Marx. A very short introduction | Peter Singer | download

Marx: A Very Short Introduction identifies the central vision that unifies Marx's thought, enabling us to grasp Marx's views as a whole. It presents Marx as a philosopher primarily concerned with human freedom, rather than as an economist or a social scientist. This new edition explores whether Marx remains relevant today, and if so, how.

Marx: A Very Short Introduction - Very Short Introductions

Considering Marx's life and impact, renowned philosopher Peter S... (□□□□) Includes a new chapter showing how these theories can be applied to twenty first century politics and society, and considers whether they still hold true. Karl Marx is one of the most influential philosophers of all time, whose theories have shaped and directed political, economic, and social thought for 150 years.

Marx: A Very Short Introduction (□□)

There are many other very good elementary intros to Marx's thought. Robert Heilbroner's book on Marx is a great one. Ernest Mandel has an excellent short introduction to Marx's economic theory. But I would put Singer's book up there with those. If you are looking for a clear first introduction to Marx, you can do far worse than this.
