The Leviathans are an ancient aquatic race that dominated the galaxy in the time before the Reapers. Proud and aloof, they regard themselves as the galaxy's first and only apex race, and think of other races as mere tools meant to serve them. With the advent of the Reapers, the Leviathans were forced into hiding to preserve themselves, and were content to observe the Reapers' harvests while ...

Mass Effect has two carrots: Being a bastard gives you renegade and lets you do more intimidation, being a paragon let's you be more charismatic. But the carrots are the same both ways, being renegade is just funnier to watch most of the time. I can't be the only player he basically did all the big paragon choices but at every other step of ...
