Journal. [1947]

From time immemorial, whenever governments have felt that their country was insufficiently wealthy, or when trade was stagnant or unemployment rife, the theory has arisen that the fundamental trouble was a "shortage of money." After the invention of the printing press, when a government could stamp a slip of paper with any denomination or issue notes without limit, any imaginable ...

A city that in the eighteenth and nineteenth centuries became a symbol of overseas trade with the West, Canton underscored the importance of overseas trade for the region. As indicated above, Lingnan and the Southeast Coast were the regions most oriented to the sea and those beyond the sea; Lingnan joined the Southeast Coast in contributing the largest number of Chinese from all the regions to ...

Posts about India written by randytravels. Bangkok, Thailand - 27 April 2014. There was a metaphorical cloud hanging over me during this entire trip that I was not at liberty to speak about - until now: The day before I left Bangkok for India, I visited the school where I work, to say goodbye to my fellow teachers.
