Mazda RX-8 Features and Specs

The Mazda RX-8 is a sports car manufactured by Japanese automobile manufacturer Mazda between 2002 and 2012. It was first shown in 2001 at the North American International Auto Show. It is the successor to the RX-7 and, like its predecessors in the RX range, it is powered by a rotary Wankel engine. The RX-8 was available for sale in North America from the 2003 model year.

MAZDA RX-8 models and generations timeline, specs and ...

What that rotary engine should also mean is that the RX-9 will be great to drive, its low centre of gravity and lightweight making the car feel nimble in corners. Like the Mazda MX-5 sports car, you can expect the RX-9 to be rear-wheel drive and to send its power through a limited-slip differential that should make it easy to slide – on a race track, of course.
