LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Customer Reviews: Dark Souls Trilogy Standard Edition ...

Comparing new video game releases to From Software's Dark Souls series has long been cliché, and, with many pundits and players eager to compare anything even remotely difficult—regardless of genre—to the beloved RPG trilogy, the phrase “Dark Souls hard” has lost a ton of meaning. That said, there are games which deliberately attempt to replicate or pay homage to 2011's ...
