Mercon was no longer going to be available, and Mercon V will be replacing Mercon, but it decided to put that emphatic statement that Mercon and Mercon V are different and that they are not interchangeable. It actually says that using dual use (Mercon and Mercon V) in place of Mercon may cause damage.

MERCON is the trade name for a group of technical specifications of automatic transmission fluid created by Ford. The name is a registered trademark (later becoming a brand) of Ford, which licenses the name and specifications to companies which manufacture the fluid and sell it under their own brand names. Not all Mercon fluids are
