The EZ-CLEAN floor scale is a pit type scale that combines stainless steel construction with complete access for cleaning. It is equipped with pneumatic cylinders that lift the scale to provide access to the pit and underside of the platform. A single person can handle all operations safely and easily. At the flip of a switch, the entire scale tilts up 45 degrees, exposing all surface areas ...

The new ACW520 wireless option kit from METTLER TOLEDO is designed for both new and existing METTLER TOLEDO floor scales. It eliminates the need for a cable from the floor scale to the display terminal. This solution is a battery-powered Bluetooth kit that replaces the traditional junction box and home run cable on a floor scale.
