The subconscious mind is the part of our brain where many of our unconscious ("autopilot") decisions and impressions are made. Psychologists recognize the subconscious mind as a source of creativity, intuitive thoughts and feelings, inspiration, and spiritual awakening. Many people believe that it is possible for an individual to use his conscious mind to make changes in his subconscious mind ...

The Power Of Your Subconscious Mind ... - Four Minute Books

Most of us are aware of the existence of the subconscious mind — but we don't necessarily know what it is, what it does, or how we can learn to master it.. The truth is, your subconscious mind power can be an amazing ally when you master it. Yet, if it stays untamed, it can drive the direction of your life in undesirable ways.
