## **Miniature Painting ...**

MINIATURE PAINTING - ZONE OF LEARNING. This is a pretty basic model of the way a human being learns things. If you take a basic task like making yourself a coffee with your own machine, generally most people don't have to think about this at all. It is a task that can be completed without any challenge.

## **How to Paint Miniatures: The Ultimate Guide You Need**

The art of Miniature painting was introduced to the land of India by the Mughals, who brought the much-revealed art form from Persia. In the sixteenth century, the Mughal ruler Humayun brought artists from Persia, who specialized in miniature painting. The succeeding Mughal Emperor, Akbar built an atelier for them to promote the rich art form.
