Modern Social Work Theory, Fourth Edition / Edition 4 by ...

Social learning theory is a theory that attempts to explain socialization and its effect on the development of the self. It looks at the individual learning process, the formation of self, and the influence of society in socializing individuals. Social learning theory is commonly used by sociologists to explain deviance and crime. 08

Sociological Theories - An Overview of Major Frameworks

While the construction of meaning forms a theory for postmodernism, the construction of social reality (also called constructivism or social construction) shapes postmodern social work practice.
